Workplace Environment

As a responsible apparel producer, SGPL provides employees a work environment high above the law-required level.

The goal is to exceed requirements of local legislation and reach the global standards, and thereby support clients' images and sourcing principles.

Clearly demarcated emergency routes & exits, smoke & fire detectors, consciously designed working lay-outs ensure a safe workplace for workers. As per ISO requirements, instructions and warning signs are posted in highly visible places, inside the factory and in local language (Bangla).

Moreover, usage of metal gloves in times of fabric cutting, needle guard in time of sewing and such similar procedures reduces significantly work-related accidents.

SGPL consciously puts effort to empower woman not only by just recruiting more women in workforce, rather by undertaking some assertive programs to train & promote women in the higher levels

Safety Integrity

SGPL, strongly opposes force-labour, child-labour, racism, discrimination and exploitation of workers, and makes every possible effort to discourage such misconducts. It employs individuals solely on the basis of their qualifications.
